Letter to the Members

Greetings!

As we near the end of a fantastic 2012 season at Stonebridge Country Club, I'd like to commend the entire staff for the fantastic job they did this summer in keeping the golf course in great shape despite unprecedented heat, providing excellent food & beverage service while adapting to a significantly larger membership and for flawlessly executing great events on the golf course, tennis courts and at the pool.

While much of the 2012 year is now behind us, I want to remind all members that there are still a number of very popular events left on the calendar including: Halloween Party, Fight Night, and the Members Gathering, the marquee event of the season in early December. Please keep an eye out for these events and many more during the upcoming Holiday Seasons.

As we head into the fourth quarter our club is in strong financial condition due to the fabulous success of the new Member program, increased usage of the

club by all members and a continued and constant focus on controlling costs while still providing quality food and service. Because of the great support of the membership in all of these areas at this point the Board does not anticipate any operating assessment for 2012 nor a dues increase for 2013.

That said, our club is over twenty years old and certain important capital investments will need to be made over the next few years to ensure that the golf course and other parts of the club remain in a high quality condition. We previously communicated to you that the club will be replacing the Pump House this fall and that the cost of this project will be paid entire out of cash. It is also anticipated that we will have to replace the irrigation system on the golf course in the late Fall of 2013. We currently expect that 100% of the cost of this project will be financed as part of the refinance of our mortgage in early 2013 and that there will be no one-time capital assessment required of the membership. This project requires the

approval of the Equity members of the club at the Annual meeting in December. All members will receive detailed information on this proposed project well in advance of the Annual Meeting in which to study and provide feedback to the Green Committee and the Board.

Lastly, please consider volunteering your time and joining one of the many committees at the club. The vast majority of changes made at the club come from recommendations and feedback from the committees. Participating on a committee is a great way to support the club as well as influence future changes to club policies, events, etc....

Thank you again to all the members and staff for their help in making this year so successful, and best wishes for the upcoming Holiday season.

Regards,

Mike Foster

Recipe from the Chef: Apple Crostata: Riesling Caramel, Vanilla Bean Ice Cream

Crostata Dough:

- 4 oz. A/P flour
- 1 oz. Cold Butter, ¼ in dice
- 1.5 teaspoon Sugar
- 1.5 tablespoon Cold Water

Apple Filling:

- 3.5 oz. Granny Smith Apple, Peel and Cored then cut into ½ in. dice
- 2 tablespoons flour
- 2 tablespoons sugar
- 1 oz. butter, creamed
- 1 teaspoon orange zest
- 1/8 teaspoon cinnamon

Combine All.

Riesling Caramel:

- 2 oz. Riesling
- 2 oz. Sugar
- .5 oz. Butter
- 5 oz. Heavy Cream

Place the Riesling and sugar into a small copper sauce pan, and reduce until the sugar becomes light amber, add the butter and cream and reduce to a medium nappé. Reserve warm for service

Plate Construction:

- 1 recipe crostata dough
- 1 recipe apple filling
- 1 recipe Riesling caramel
- 3oz. vanilla ice cream, formed into a quenelle
- Micro Tangerine Mint

Place the flour, sugar and butter into a deep sided bowl, and rub the butter into the flour until the flour is coated and the butter is “pea” size. Add the cold water and mix until a dough is formed. Wrap in plastic and allow resting for 1 hour.

Roll out the dough until it is 2 inches in diameter larger than a #100 ring mould. Line a half sheet pan with parchment paper, and spray a #100 ring mold with pan coating. The mold onto the parchment paper and line the edges with the pie dough, the edges of the dough will hangover the sides. Fill the line ring mold with the apple filling and do small folds around the edges of the dough leaving a vent hole in the center, and bake in a 350 degree oven for 25 min or until the dough is golden brown. On a long rectangle plate, on one end place a 2 oz. ladle of Riesling caramel forming a circle, the streak with the back of a spoon to form a point on the other side. Place the apple crostata on the tip of point, and a 3 oz. quenelle of vanilla bean ice cream in the center of Riesling circle. Place two sprigs of the micro tangerine mint on top of the quenelle.

Cost per student - \$50 (includes dinner at last class) Maximum number of students - 20

Dress code: no jeans, tennis shoes or flip flops. Girls should wear a dress or skirt outfit.

Boys should wear nice pants or slacks, school shoes or dress shoes, polo shirt, sweater and

shirt (shirt should have a collar). No gum chewing in class. **Subjects taught:** First Impressions, handshake, making introductions, telephone manners, thank you notes, social graces, including table manners, proper silverware technique, acceptable table conversation, table setting, respect for others and public property.

Patricia Ray has been teaching etiquette classes for children and teens for many years in the Fox Valley area, as well as ballroom dance which she teaches on a regular basis at Waubensee College, Sugar Grove, and Fox Valley Park Dist. (Eola Center) in Aurora. She has also been instructing the Fortnightly Assemblies Etiquette and Ballroom Dance Classes at the Geneva Golf Club for the past 7 years, for boys and girls in grades 6 - 9. Patricia believes teaching children etiquette helps them develop social confidence as they learn how to act and talk to each other which will have a positive impact on a child's future relationships and career.

UPCOMING GOLFEVENTS

Men's Fall Foursome:

Saturday, October 6th, 9:00 am shotgun start

Entry Fee: \$50.00

In lieu of the Fall Scramble this year, we have decided to mix it up and create a Foursome best ball event. Teams may sign up as a foursome, threesome, twosome, or as a single. The golf shop will create foursomes for groups that do not sign-up as a foursome. The format will be a revolving tee best ball. Six holes will be played from the Gold tees with 1 best ball of the foursome counting. Six holes will be played from the blue tees with 2 best balls of the foursome counting. Six holes will be played from the Red tees with 3 best balls of the foursome counting. Lunch is included and will be served following the round. This is the only event of the year where you can create your own group! We hope that you will enjoy this new format to end the year.

1st Annual Fall Classic Friday, October 12th

27-HOLE MEMBER-GUEST 9:00AM SHOTGUN START ENTRY FEE: \$300 per team, includes golf, cart fees, tee gift, prizes, breakfast, lunch, dinner, and a 2-hour open bar

A Fall Member-Guest event with lots of golf! Teams will consist of 1 member with 1 non-member guest. The field is limited to the first 50 teams to sign-up. There is no handicap differential requirement between partners and all players must have an official USGA handicap index. Once the field is set, all teams will be flighted by total team handicap. The format for the event will be: 9-holes of Pinehurst Alternate Shot, 9-holes of Point Quota, and 9-holes of Best Ball (all formats will be handicapped). After all 27-holes have been played, the top teams will compete in a Shootout to determine the overall winner. All play will be from the Blue tees.

Frost Delays

AROUND THE COURSE

How can a footprint be a killer?

When it's a footprint made on a putting surface that's covered with frost.

It's hard to believe that simply walking across a golf green covered with frost can cause so much damage, but the proof will be there in a few days as the turfgrass dies and leaves a trail of brown footprints. That's why most courses will delay starting times until the frost has melted. And it's also why golfers who appreciate a quality putting surface will be patient during frost delays.

Why does frost cause problems?

Greens are fragile. The putting surface, or green, is an extremely fragile environment that must be managed carefully and professionally. Remember that every green is a collection of millions of individual grass plants, each of which is a delicate living thing. Obviously, Mother Nature never meant for these plants to be maintained at 3/16 or even 1/8 of an inch for prolonged periods. This "stress" makes greens constantly vulnerable to attacks from insects, disease, heat, drought, cold—and frost.

Frost is essentially frozen dew. It can form when the temperature (or wind chill) is near or below the freezing point. The ice crystals that form on the outside of the plant can also harden or even freeze the cell structure of the plant. When frosted, the normally resilient plant cells become brittle and are easily crushed. When the cell membranes are damaged, the plant loses its ability to function normally. It's not much

different than cracking an egg. Once the shell is broken, you can't put it back together.

The proof is in the prints

Although you won't see any immediate damage if you walk on frosted turf, the proof will emerge within 42-72 hours as the leaves die and turn brown. And, since just one foursome can leave several hundred footprints on each green, the damage can be very extensive.

Thanks for understanding

The damage isn't just un-...ghtly—putting quality will also be reduced until repairs are made. Those repairs are expensive and, in some cases, the green may have to be kept out of play for days or weeks until the new turfgrass is established. A short delay while the frost melts can preserve the quality of the greens, prevent needless repairs and may even save you a few strokes the next time you play.

TENNIS

Men's Single Championship:

On Sunday, September 9th, Stonebridge Tennis held it's Men's Singles Tennis Championships. When the dust settled, Jeff McVey prevailed in a tightly contested Championship Match over Rich Seltzer 7-6 (7-5).

Congratulations to Jeff, the 2012 Stonebridge Men's Singles Champion!

Thanks to all who participated!

There is nothing like playing tennis on a crisp Fall Day. The courts are in fantastic shape and we encourage you to play before the inevitable grip of a Chicago winter takes hold.

And if you need a bit of extra incentive - how about a chance to play with a pro for FREE?

List the 5 reasons that you like playing tennis in the fall - the most creative response as judged by the tennis committee gets a free 1 hour group lesson for themselves and two non-member friends.

Send your response to receptionist@stonebridge-cc.org
